Media Advisory - For Immediate Release

Gila / Mimbres Community Radio will present two extraordinary singer-songwriter-performers - **David Vidal** and **Bugs Salcido** - in a benefit fundraiser on **Friday 5 August 2011** at the **Webb Theater** on the campus of **WNMU** / Western New Mexico University.

The all ages event will be at **7pm** with doors opening at 6:30. The Webb Theater is an intimate setting and seating is limited so early arrival is encouraged. The suggested donation at the door is \$15 or two for \$25. Refreshments will be available.

GMCR is pleased and proud to have the support of the following sponsors for this event - **Silver City Food Coop, Syzygy Tileworks, Desert Woman Botanicals Simon Ortiz Allstate Insurance** and **Anony Mouse**, our super-hero!

GMCR will give a brief update on its progress with the radio station since obtaining its CP / Construction Permit for a full power FM Non-Commercial / Educational license, including plans for **24/7 streaming internet radio** prior to activating the station on the airwaves. An information table will be available with materials describing the project and opportunities to participate in a number of ways.

The proceeds of the event will be used to further GMCR's effort to establish and operate a community radio station in Silver City that will serve Grant County and adjacent areas of Southwest New Mexico 24/7. GMCR is a 501 (c)(3) non-profit organization and filed its application with the FCC in October 2007.
