

Free Hands-on Workshop!

Construction of a High Hoop Greenhouse

**We will build an inexpensive
16'x32' (500+ sq. ft.) greenhouse
able to stand up to NM winds
in one day!**

The workshop will be led by Del Jimenez, NMSU's Cooperative Extension Services resident expert in greenhouse construction, with support from Grant Co. Extension Service

When this workshop is over, you will know how to build your own!

When: Wednesday, April 18 8:30 am – 4:00 pm

Where: San Lorenzo Elementary School, the Mimbres

Directions: 180 to 152E. Go 14 miles to left at 35N. School is 1/2 mile on left.

What to Bring:

- Lunch, Water, and Cordless Drill (if you have one)
- Appropriate Clothing: We will be outside all day.

Getting There:

For those interested, we will carpool from Silver City. Meet at Grant Co. Conference Center (next to Ace Hardware) at 7:30 am.

If you need a ride or if you can pick up some people, please contact us below by April 13. Thanks!
